Based on Graham's Doctor of Ministry research, this book investigates a fundamental disconnect: churches largely ignore the working lives of their members.

It builds a biblical theology of work rooted in imago Dei, vocation, and the Reformation understanding that all work — paid or unpaid — can be worship.

THEMES

- The theology of work and vocation
- Why churches ignore working people — and what to do about it
- Imago Dei and human creativity
- The Reformation understanding of all work as worship
- Original congregational research on faith and work
